Official Bio of Wes Chapman

Wes's message of "waking up the hero" has been adopted by thousands of people around the world. He draws from his unique life experiences to deeply connect with people of all backgrounds, creeds and beliefs.

Over the years, Wes Chapman has worked with numerous notable companies, such as Apple, Costco, Verizon, Alaska Airlines, Harley Davidson, Microsoft and others. He holds multiple medical patents and received Apple's prestigious "App of the Year" award for his work. Additionally he and his work have been covered in multiple media outlets and publications, including: INC, CBS, TechCrunch, ABC, Forbes, LA Times, TEDx, Fortune, VIBE, Usa Today and many others.

His foundation, A Human Project, provides unique opportunities to talented young adults who aspire to grow beyond their circumstances. One of the foundation's recent recipients performed as a fan favorite on American Idol this past season, after Wes introduced him to Randy Jackson and set him on a course for success

As a speaker, Wes has shared the stage with eminent business owners and thought leader alike, including: Dr. Drew, Rainn Wilson, Robert Herjavec, Sheri Salata, Gary Vaynerchuk, Randy Jackson, Peter Diamandis and many others.

And as co-creator of **THE HUMAN GATHERING** - named "*The #1 Leadership Conference*" by Forbes, Wes is consistently bringing together today's foremost leaders in business, technology, philanthropy and the arts.
